4 COURSES TO CHOOSE FROM

1. NEGOTIATION SKILLS 5 ECTS

> This course aims to prepare students to identify different negotiation settings and recognize which negotiation strategies are effective for particular situations. Students will use the framework of integrative negotiation, and will look at how to apply the theory to practice by way of role-play simulations and discussions about real cases. They will also examine conflict management styles and how to implement conflict resolution processes in an organizational context.

2. CROSS-CULTURAL MANAGEMENT 5 ECTS

> With the globalization of business, understanding cultural differences has never been so important. Through this two-week intensive course, students will learn how to manage, interact and do business on the worldwide stage. This course will offer an understanding of other cultures and ethnicities as a way of improving interaction and negotiation skills with international peers.

3. INTERNATIONAL BUSINESS 5 ECTS

> This course presents an introduction to International Business. The topics covered in class include globalization, internationalization of firms, selection process of potential international markets and alternative market entry strategies. This course will also introduce students to the development of an international marketing strategy, and the standardization vs. adaptation debate when designing international marketing mix.

4. DIGITAL MARKETING 5 ECTS

> This lively and stimulating course will introduce students to the strategies and tools of a new age Digital Marketer. Students will meet the Power of a "4 C's Digital Framework (CONTEXT-CONSUMERS-COMPETITION-CAPABILITY.)" They will also learn the skills that leading brands and marketers currently need to make today's consumer journey unique and engaging in a cross-culture digital marketplace.
