## ABOUT ME

HI! I'M LIZI, A THIRD-YEAR ARCHITECTURE STUDENT AT CAUCASUS UNIVERSITY. I'M A HUGE ART GEEK AND LOVE DOING DIY PROJECTS. THE PROCESS OF IMAGINING SOMETHING AND THEN BRINGING IT TO LIFE IS ONE REASON I CHOSE ARCHITECTURE.

AS A CHILD, I ATTENDED AN AMERICAN CATHOLIC SCHOOL, SCHOOL OF TOMORROW, WHERE I SERVED AS THE SCHOOL PRESIDENT. THIS ROLE GAVE ME THE OPPORTUNITY TO COMMUNICATE WITH STUDENTS FROM ALL OVER THE WORLD, SPARKING MY PASSION FOR LEARNING NEW LANGUAGES AND DISCOVERING DIVERSE CULTURES.

DURING MY TIME AT CAUCASUS UNIVERSITY, I PARTICIPATED IN TWO ERASMUS EXCHANGE PROGRAMS—ONE IN WARSAW, POLAND, AND ANOTHER IN MADRID, SPAIN. IF TRAVELING WERE A JOB, I'D BE AT THE TOP OF THE CORPORATE LADDER! SO FAR, I'VE VISITED 32 COUNTRIES, WITH TOKYO AND MOROCCO BEING MY FAVORITES. I ALWAYS ENCOURAGE YOUNG PEOPLE TO TRY SOLO BACKPACKING – IT IS AN AMAZING WAY TO GROW AS A YOUNG ADULT. THROUGH MY TRAVELS, I'VE IMPROVED MY SKILLS IN FIVE LANGUAGES. CURRENTLY, I'M INTERNING AT VALISHVILI ARCHITECTS AND WORKING AS A FREELANCE FURNITURE AND INTERIOR DESIGNER ON THE SIDE. MY INTERESTS HAVE ALWAYS BEEN DIVERSE. I WILL DIE BUT GIVE UP DOING SIDE QUESTS. ONE DAY I'M COMPETING IN AN ENGINEERING COMPETITION, THE NEXT I'M HAND MODELING FOR A RANDOM GEORGIAN BANK.

I'M ALSO PASSIONATE ABOUT HUMANITARIAN CAUSES AND ACTIVELY ENGAGE IN INITIATIVES AROUND EQUALITY AND CHARITY. I VOLUNTEER AS A TEACHER FOR ORPHANAGES IN MY SPARE TIME.
