ABOUT ME

I AS A STUDENT IN THE ENGLISH-LANGUAGE MEDICAL DOCTOR (MD) PROGRAM AT CAUCASUS UNIVERSITY, I AM WELL-POSITIONED TO ACHIEVE GREAT SUCCESS IN THE FIELD OF MEDICINE AND SAVE MANY LIVES.

IN ADDITION TO THE FIELD OF MEDICINE, I AM ALSO ACTIVELY INVOLVED IN THE MUSICAL "WORLD". I AM A VIOLINIST AND LAUREATE OF MANY INTERNATIONAL COMPETITIONS, THE WINNER OF A GRAND PRIX AND FIRST PLACE. I ALWAYS THOUGHT MUSIC PLAYED A SIGNIFICANT ROLE IN A PERSON'S LIFE. BUT WHEN I RESEARCHED THE METHODS OF DIFFERENT HEALERS, I BECAME CONVINCED OF THE INFLUENCE AND VALUE OF MUSIC IN THE DIRECTION OF MEDICINE. I SHOULD MENTION THE FACT THAT MUSIC THERAPY IS ACTIVELY USED TO TREAT PATIENTS SUFFERING FROM HYPERTENSION, NEUROSIS, HEARING AND SPEECH DEFECTS, AND MANY OTHERS.

APART FROM MUSIC, MY FIELD OF INTEREST IS FICTION AND PSYCHOLOGY. I AM ALSO VERY SOCIABLE. I LIKE COMMUNICATING WITH PEOPLE, TRAVELING, AND ACQUAINTING MYSELF WITH FOREIGN CULTURES. I THINK THE AMBASSADOR PROGRAM WILL HELP ME DEVELOP ALL THIS AND WILL BE A NEW AND INTERESTING CHALLENGE FOR ME.
