CAUCASUS UNIVERSITY

Caucasus University has wide experience of conducting PhD programs over the years. The University has been delivering PhD program in Business Administration in partnership with foreign counterparts for more than 10 years. In accordance with modern standards and demand, relevant PhD program in Management was established.

In the conditions of the increasing impact of today's global environment, it is a vital task for any organization to conduct organizational processes in a highly qualified manner by making full use of the capabilities of modern organizational management, which, in turn, requires the detection and creation of these capabilities, including through the development of new conceptual visions or tools. The urgency of the doctoral educational program in management is determined by the growing demand from modern companies for such specialists who, along with the latest theoretical knowledge, can analyze current events and processes in global organizational management, can timely and correctly identify challenges, research problems and find original ways to solve them; In addition, they are informed about the ethical responsibility of the researcher and the ethical or social consequences of innovative/original scientific research.

The management doctoral educational program reflects the mission, vision, and values of the Caucasus University, as well as the main goals and objectives of the business school. The program also takes into account the requirements of the local labor market, the successful experience of management doctoral programs implemented by local and foreign universities, as well as the development trends of modern organizational management as a field of research.
