CAUCASUS UNIVERSITY

CAUCASUS UNIVERSITY

KNOWLEDGE IS A FOUNDATION OF FREEDOM

MISSION:

The mission of Caucasus University is to prepare for local and international markets, through research-oriented teaching and learning, competitive, highly qualified, morally-grounded professionals committed to the ideals of democracy and thus satisfy society's educational needs and requirements.

HISTORICAL BACKGROUND:

FOUNDED IN 1998 with support from the US State Department and in collaboration with Georgia State University, CU is built on a legacy of academic excellence and innovation. Our campuses in Tbilisi and Batumi, alongside partnerships spanning Europe and the USA, underscore our global perspective and commitment.

GLOBAL REACH AND COLLABORATIONS:

Extending beyond Georgian borders, CU is distinguished not only by its international campuses in France, on the premises of Rennes School of Business but also as an off-site campus of Grenoble Ecole de Management in Tbilisi. This unique partnership offers students unparalleled access to **GLOBAL BUSINESS EDUCATION RIGHT IN THE HEART OF THE CAUCASUS**. Furthermore, CU has established a **CULINARY ACADEMY IN COLLABORATION WITH THE PRESTIGIOUS BASQUE CULINARY CENTER**, cementing our role as a leader in culinary education in the region. These prestigious collaborations, alongside double degree partnerships with renowned institutions such as New Jersey City University, Fairleigh Dickinson University, University of Central Florida, TH Wildau, Rennes School of Business, Upper Austria University of Applied Sciences, and others, enrich our students' educational experiences with a comprehensive international outlook. This global network of partnerships underlines our commitment to offering an education that is not only diverse and globally oriented but also deeply interconnected with industry leaders and innovators worldwide.

ACCREDITATIONS AND RANKINGS:

CU is renowned for its global recognition, evidenced by accreditations like the **UNWTO TEDQUAL, ROYAL INSTITUTE OF BRITISH ARCHITECTS, AND AACSB** (in the final stage), **WDOMS, ECFMG, WFME, NMC, GMC**. Our Executive MBA programs are ranked among the top worldwide, a testament to our dedication to providing a world-class education.

ACADEMIC EXCELLENCE ACROSS DISCIPLINES:

With **MORE THAN 55 BACHELOR'S, MASTER'S, AND DOCTORAL PROGRAMS** across a wide range of disciplines including Business, Law, Media, Technology, Architecture, and Design Governance, Humanities and Social Sciences, Tourism, Medicine, Economics, Education, CU stands as a model of diversity and intellectual growth. This comprehensive spectrum of educational offerings ensures that CU students are well-equipped to navigate the complexities of the modern world.

RESEARCH AND INNOVATION:

As a vibrant research institution, CU leads in innovation with projects in cyber security, healthcare management, finance, social sciences, and more. Our efforts to foster an innovative startup ecosystem, supported by international donors like the EC, UN, USAID, UNDP, State Department, DAI, DAAD, Nuffic, WB, GIZ, etc., significantly contribute to global knowledge and societal progress.

OUTSTANDING ACHIEVEMENTS:

With a **98% EMPLOYMENT RATE** among graduates, a network of **OVER 260 INTERNATIONAL PARTNER UNIVERSITIES**, and a wide range of exchange programs, **10 DOUBLE DEGREE PROGRAMS**, CU not only opens doors globally for its students but also ensures they are well-positioned for success in their professional endeavors.
