Declaration

By signing this form, each author confirms that:

- They have made a substantial intellectual contribution to the research, preparation of the manuscript, or its substantive academic revision, and agree to be identified as an author.
- They have reviewed and approved the submitted manuscript. All co-authors accept responsibility for its content and compliance with the Journal's academic integrity requirements.
- The manuscript is original, has not previously been published, and is not under consideration by another journal. Any earlier publication relevant to a proposed translation is disclosed below.
- The facts, data, arguments, conclusions, and sources have been checked for accuracy; all sources are properly attributed. The manuscript contains no plagiarism, self-plagiarism, fabricated or falsified data, or improper attribution of authorship.
- Any circumstance that may affect their independence or impartiality is disclosed below.
- Any use of artificial intelligence in preparing the manuscript is described below. No artificial intelligence system is named as an author or co-author; the authors remain responsible for the manuscript and its sources.
