ABOUT ME:

HELLO, I'M NIKOLOZ, A THIRD-YEAR COMPUTER SCIENCE STUDENT AND A BACK-END C# DEVELOPER. MY ACADEMIC AND PROFESSIONAL FOCUS LIES IN MODERN TECHNOLOGIES, SOFTWARE ARCHITECTURE, AND THE CREATION OF EFFICIENT, SECURE SYSTEMS.

I ACTIVELY APPLY THE FUNDAMENTAL KNOWLEDGE I GAIN AT UNIVERSITY TO PRACTICAL SCENARIOS. SPECIALIZING IN C#, I WORK ON BUILDING RELIABLE, LOGICALLY SOUND, AND SCALABLE WEB SERVICES. WRITING CODE, OPTIMIZING DATA STRUCTURES, AND SOLVING COMPLEX TECHNICAL PROBLEMS ARE EXCITING CHALLENGES FOR ME THAT FUEL MY CONTINUOUS PROFESSIONAL GROWTH.

BEYOND THE WORLD OF TECHNOLOGY, SPORTS PLAY A SIGNIFICANT ROLE IN MY LIFE. IN MY FREE TIME, I ACTIVELY PLAY BASKETBALL. IT IS NOT JUST AN EXCELLENT PHYSICAL OUTLET, BUT IT ALSO HELPS ME HONE SKILLS THAT ARE ABSOLUTELY ESSENTIAL FOR A DEVELOPER: TEAMWORK, QUICK DECISION-MAKING, STRATEGIC THINKING, AND DISCIPLINE.

MY GOAL IS TO MAINTAIN AN IDEAL BALANCE BETWEEN MY STUDIES, CAREER ADVANCEMENT, AND A HEALTHY LIFESTYLE. I AM ALWAYS OPEN TO NEW IDEAS, EAGER TO ADOPT INNOVATIVE APPROACHES, AND READY TO BRING MY KNOWLEDGE AND ENERGY TO MAKE A VALUABLE IMPACT ON EXCITING NEW PROJECTS.
