ABOUT ME:

BESIDES STUDYING MEDICINE, I ALSO LIKE TRYING MYSELF IN DIFFERENT AREAS.
I REALLY ENJOY COOKING AND I LOVE MAKING TASTY FOOD FOR MY FAMILY AND FRIENDS. I ALSO ENJOY LEARNING FOREIGN LANGUAGES, AND I'M HAPPY THAT I CAN SPEAK SEVERAL OF THEM. BUT THE THING I LOVE THE MOST IS TRAVELING. IT HAS HELPED ME MEET PEOPLE FROM DIFFERENT COUNTRIES AND TAUGHT ME HOW TO CONNECT EASILY AND COMMUNICATE WITH THEM.
THAT'S ONE OF THE MAIN REASONS WHY I WANT TO BECOME A CAUCASUS UNIVERSITY AMBASSADOR. I BELIEVE IT WILL GIVE ME THE CHANCE TO REPRESENT MY UNIVERSITY AND SHARE GEORGIAN CULTURE WITH PEOPLE FROM DIFFERENT BACK-GROUNDS.
