KEYNOTE SPEAKERS

Academician Leonid CULIUC (KULYUK), Doctor Habilitatus in Physics and Mathematics, University Professor, Full Member of the Academy of Sciences of Moldova, and distinguished researcher at the Institute of Applied Physics of Moldova State University, is a prominent figure in the scientific community of the Republic of Moldova, renowned for his outstanding research career and valuable contributions to the advancement of contemporary physics. As the author of numerous scientific publications, he has made significant contributions to the development of these research fields and the training of new generations of scientists. During his tenure as Director of the Institute of Applied Physics, he played an important role in strengthening the institution's research capacity and promoting scientific excellence. His achievements and dedication to scientific research have been recognised through major national distinctions, including the State Prize of the Republic of Moldova in Science, Technology and Production and the Order of Honour. Through his longstanding scientific activity, Academician Leonid Culiuc continues to contribute to the advancement and international recognition of scientific research in the Republic of Moldova.

Stefano BRAGHIROLI, PhD in Political Sciences, Associate Professor of European Studies at the Johan Skytte Institute of Political Studies, University of Tartu, Estonia, Director of the Master's Programme in European Studies and Teaching Excellence Ambassador, is a distinguished scholar in the field of European studies and comparative politics. His research focuses on European Union politics, party systems and electoral behaviour, Euroscepticism, populism, and the political dynamics shaping relations between the European Union and its Eastern neighbourhood. Through his scholarly publications in recognised international academic journals and his contribution to advanced research and higher education, he has enriched contemporary debates on European integration, democratic processes, and the evolving political landscape of Europe. His academic activity reflects a sustained commitment to rigorous research, international scholarly cooperation, and the advancement of knowledge in European political studies. The speaker has maintained a long-standing collaboration with Moldova State University, contributing to international academic cooperation as coordinator of three bilateral projects funded by ESTDEV from 2023 to 2025: Best4Me, Est4MORE and Connect4More. These initiatives contributed to advancing Moldova's Europeanization through innovative teaching practices.
