paradigms for all

**PhD IN MANAGEMENT**  
CAUCASUS UNIVESITY  
**2019**

## ABOUT US

Caucasus University's PhD program in Management is designed for practitioners and academic researchers seeking to enhance their analytical skills and acquire an advanced academic degree. Consisting of 180 ECTS, the program takes students through key field courses in management and organizational behavior, as well as quantitative methods, research design, pedagogy and scientific writing. Students should be able to complete the program in three years while maintaining full-time employment.

The program is taught in English by Western-trained academics and management professionals, providing an excellent pathway to gainful employment in academia as well as in research and senior management positions with large corporations, banks, government institutions and international organizations. Successful graduates will be awarded a PhD degree in Management.

### Admission requirements & process:

Applicants must have at least a Master's degree from an accredited educational program. Admission is granted based on:

- 01 English language exam**  
(B2 level.  
Exemption possible -  
check in advance)
