Czech Republic

People say the Czech Republic is not a country, but a garden. You can expect many unforgettable moments. Let yourself be carried away by distinct atmosphere of Czech famous monuments.

Prague

Prague, City of a Hundred Spires, a UNESCO monument and one of the most beautiful cities in the world. Get to know it in person!

Kutná Hora

A popular daytrip destination from Prague, Kutna Hora offers spectacular faded grandeur without the capital's madding crowds. The financial center of Bohemia until the silver ore ran out, Kutna Hora once rivaled Prague's magnificence. The site of Wenceslas II's Royal Mint in 1308, the town was added to UNESCO's World Heritage list in 1996. Saint Barbara's cathedral and the eerie Kostnice bone church, decorated with disconcerting sculptures of the bones of plague victims, are main attractions.

Český Krumlov

The southwestern castle city of Cesky Krumlov is one of the Czech Republic's finest medieval sites. Its Old Town is a UNESCO-designated World Heritage Site, a maze of twisting alleys built around the extensive Cesky Krumlov castle. Saunter through crooked, cobblestone streets on foot and soak up the atmosphere of this impeccably preserved medieval gem. The gushing Vltava, popular with rafting enthusiasts, darts through the town.
