

With the support of the
Erasmus+ Programme
of the European Union

Jean Monnet Activities, Georgia Georgian Technical University

**International Scientific Conference
"Georgia and European Integration"
28 - 29 July 2022**

**Eka KARDAVA
Jean Monnet Professor
Gori State Teaching University
Caucasus University
2022**

Enhancement Policy of EU studies into Law Programs

- Role of the AA/DCFTA in the Development of Education Programs
- The policy of Education and Science in the European Association process in Georgia
- Importance of the shift to nontraditional EU studies
- Importance of the integration of EU studies into different programs than European Studies

LAW and Approximation – Real European Development

1. Political

rapprochement with
the EU

2. Trade and economic

rapprochement with
the EU

3. Sectoral

rapprochement with
the EU

4. Similar

**Administrative
practices**

Law Programs Accreditation Criteria in Georgia

MA LAW PROGRAMS – one of the outcomes should be the knowledge of the EU law impact on Georgian Legal development

What should be the Method and Content of EU studies in Law Programs

- **Caucasus University experience within the Jean Monnet Project “Legal Face of the EU”**
- **Gori State Teaching University experience within the Jean Monnet Module “EU Explored within the AA”.**

Recommendations

- **Enhancement of EU studies in BA law programs**
- **All MA thesis should be oriented on the outcome – EU law impact on Georgian Legal Development**
- **Traditional Teaching of the EU should be modified**
- **EU studies should give practical skills to professionals and should be directly usable in work activities in Georgia**

Thank you
