

Lile Jikia, Ana Patashuri, Natia Tavdgiridze, Sulkhan Tebidze, Teona Pevadze, Tamar Surmanidze

University of TUSCIA, Italy

Caucasus Business School / Caucasus School of Economics

„Erasmus+ gave us a chance to go abroad and learn about a radically different lifestyle. This is a period of new discoveries in life of each of us, new challenges, many friends, adventures, opportunities for career development and personal growth. Moreover, we are given the opportunity to use the knowledge gained here as soon as we return to our homeland.”
