Caucasus School of Humanities and Social Sciences

Mariam Pipia, a student of the School of Humanities and Social Sciences of the Caucasus University, became one of the winners of the scholarship announced by The Education Exchanges Support Foundation under the Ministry of Education, Science and Sports of Lithuania, within which the student spent the fall semester of the 2023-2024 academic year at Mykolas Romeris University.

"I am grateful to have been given the opportunity to be a participant in the exchange program and to spend the fall semester of 2023 in Vilnius at the Mykolas Romeris University. Living in Lithuania was a special cultural experience. Adapting to a new city was not easy, but in the process, I gradually learned and grew, discovered myself from different angles and learned more about psychology. Academic challenges have enhanced my critical thinking and problem-solving skills. Living abroad was a transformative experience that gave me the knowledge and skills I needed for personal and career success. "

It should be noted that the Caucasus University has successfully cooperated with Mykolas Romeris University since 2013.
